Introduction of the Context for Learning

A question is used to spark interest.

Pre-planning.

Describe, list, outline, find, label, draw, match.

Pre-planning questions are used to shape how learning takes place, drawing objectives from the national curriculum and key skills from our skills progression documents.

Explore

Exploration of the Context for learning

Sequence, classify, compare and contrast, explain (cause and effect), analyse, organise, distinguish, question, relate, apply, link prior learning.

The planned sequence of learning is followed to provide the children with the knowledge and skills required. Additions may be made in response to events, further questions, assessments or responding to the interests of the children.

Reflect

Reflection on the Context for Learning

Generalise, predict, evaluate, reflect, hypothesise, theorise, create, prove, justify, argue, compose, design, construct, perform.

The children are able to communicate their learning to others via a variety of means.
