Friday 10<sup>th</sup> February 2023

Dear Parents / Carers

### Languages Day

On Friday 17<sup>th</sup> February we will be celebrating Languages Day. Mrs Shaw will provide further details in due course, but this day will focus on developing a love of languages.

At Christleton we teach French as part of the National Curriculum in Years 3 to 6 and this will be the main focus in school during this day.

### Internet Safety Day

On Tuesday 7<sup>th</sup> February we marked Internet Safety Day. The previous day we held an assembly to discuss the fantastic things the internet provides but also the importance of being safe. On the Tuesday a further assembly by Mrs Shaw, our computing lead, on provided further teaching for the children which they followed up in class.

E-safety is an important part of keeping children safe online and is taught to all children at school. This teaching explains and demonstrates how to stay safe online as well as how to behave appropriately when on the internet. As a school, we can only be successful in keeping children safe online if we work with you to ensure the e-safety message is consistent. We therefore request your support in following up this work by talking to your children about how they can keep safe and behave appropriately online.

There are many websites which provide support and advice. The following may support these conversations.
