

Christleton Primary School

Pupil Acceptable Use Agreement

(Year three, Year four, Year five and Year six)

All pupils use computer facilities including internet access as an essential part of learning, as required by the National Curriculum. Both pupils and their parents/carers are asked to sign to show that the 'Acceptable Use' and 'e-Safety rules' have been understood and agreed.

Use of Technology in School

The School owned equipment and network must be used appropriately:

- The computer system is available for educational use only
- I will sign up on the log sheet in class each time I use a computer or iPad
- I understand the school monitors the use of the information systems
- Printing: I will make sure my work is finished and checked and only print when instructed to do so.
- I will take care when using the equipment so as not to cause damage
- If I do not follow these rules then I might have to go to talk to the headteacher about what I have done (my parents may be informed)

e-safety includes helping children to stay safe while using all modern digital media and devices, including e-mail, mobile phones, chat-rooms, social networking etc. We recommend that all parents of primary age children take time to discuss these issues with their child on an ongoing basis. The Child Exploitation and Online Protection website is the government's official resource to assist both teachers and parents in explaining to children the benefits and risks associated with digital media. It is a good place to start for parents who are unsure about how to tackle this important subject, and has a useful section for parents and carers.

These rules help us to stay safe on the Internet:

- I ask permission before using the Internet.
- I only use websites that an adult has chosen or helped me to choose.
- I tell an adult immediately if I see or read anything I am uncomfortable with and switch my screen off.
- I only e-mail people an adult has approved.
- I send e-mails that are polite and friendly.
- I never give out personal information about myself or others or passwords.
- I never arrange to meet anyone I don't know.
- I do not open e-mails sent by anyone I don't know.
- I do not use internet chat rooms.
- I am not allowed to connect personal devices to the school network.
- I will leave my mobile phone with the teacher during the school day.
- I will only post content online if it is appropriate and I have permission.

Pupil's agreement

I have read and I understand the school e-Safety Rules. I will use the computers, network, mobile phones, Internet access and other new technologies in a responsible way at all times. I know that my network and internet use may be monitored.
