Year 6 Conway Residential Evening

On Tuesday 14th we will be holding an information evening for the upcoming Conway residential trip (20th-22nd June 2022). The evening is an opportunity for parents to receive information and ask any questions they may have about the trip. It will be in the **Year 6 classroom and start at 17:00**.

Health Week

Firstly, a big thank you to all the parents, carers, grandparents and relatives who were able to come into school during our Sports Days and Team Sports day. It was lovely to return to some form of normality and have the encouragement for the children – your presence in school has been greatly missed.

We hope that the week was enjoyable for your children and they not only learned about the importance of keeping healthy, but also what they need to do to live a healthy life. We hope that the week also gave the children an opportunity to try out something new and maybe learn a new skill.

Thank you also to the teachers who planned activities during the week to engage the children and focus them on health and wellbeing. A big thank you also to our PE and Sport lead, Mrs Williams, who coordinated the week and secured the external providers used.

Staffing

As we have moved into the final half term of the year, we would like to make you aware of some staffing changes taking place between now and September.

The following staff will be leaving the school before next year.

Miss Kingshott	Miss Appleton	Mrs Mealing	Mrs Watkins
----------------	---------------	-------------	-------------

We would like to thank all of the above for their hard work and commitment to the school during their time. We wish them well with their new roles.

Over the past few months, we have been working to appoint the best possible candidates to replace these staff members. We are pleased to announce that we have appointed Mrs Roz Bingham as our SENDCO from September and Miss Helen Burns to replace Miss Appleton. Both candidates offer vast experience, skills and aptitude in their roles. We are still in the process of recruiting for Mrs Watkins. If you know anyone who may be interested, please let them know!

For our newly appointed staff, the induction and handover process has already started. In the case of Miss Burns, who will have a class responsibility, she will also be attending to teach her new class before the summer break on our move up day. We look forward to welcoming them into the school community.

We have planned to have a **move up day on Friday 8th July**. On this day your child will be taught by the teacher they will be having in September. Children should come into school via their normal classroom. The children will be registered then moved to their new classroom and teacher. This is a fantastic opportunity for the children and teacher to get to know each other prior to the autumn term.
