Lunch Monies

Should your child be in the junior year groups and have a school dinner, please can you ensure school dinners are paid for in advance. We are noticing a slight increase in the number of accounts running in arrears.

In order to support budgeting for school lunches we provided the overview of costs at the start of the year. This can be accessed via the link below.

Thank you for your support with this. As you will appreciate, chasing individuals for outstanding lunch monies takes the office staff a considerable amount of time.
