

Christleton Primary School

Home / School Agreement

At Christleton Primary school we aim to work in partnership with parents and carers. We understand that a strong link between home and school is vital in helping children to achieve, enjoy learning and become the best that they can be.

We are determined to create an inclusive culture of learning where all children will be challenged in their thinking, to achieve to the best of their abilities and strive to become lifelong learners.

We will empower our children to become respected citizens to enable them to make valuable contributions locally, globally and to contribute to our world's sustainable future.

This can be done most effectively when all staff, parents and children understand their responsibilities and work together towards the same goals, as detailed this Home School Agreement.
